REPORT ON INDUSTRIAL VISIT TO NEYVELI – 17TH MARCH 2023

We had an opportunity to visit Neyveli Lignite Corporation, it is the Central Government Organisation which produces electrical energy. It is leading power plant in Tamil Nadu. It works on coal and steam is the main fluid which is utilized to produce electricity. The visit was planned and executed on 17/03/2023. Along with 60 students (II & III year BBA) 4 Faculty members accompanied the students for the visit.
