PONGAL CELEBERATION AT GOVT.HIGH SCHOOL

The Faculty and students of the Department of English celebrated Pongal Festival with the students of Government High School, Velappanchavadi on 11th January, 2019. We assembled in the College and left for the school at 9 a.m and returned at 2.30p.m. Our students decorated the school ground with colourful rangolis, palm leaves and mango leaves streamers, sugarcane and flowers. Students brought rice, jaggery and other necessary items. Delicious sweet pongal was prepared in three pots in the traditional manner by invoking the blessings of the sun God. The students danced around joyously drumming the traditional parai. It was a memorable day for all of us.
