

NATIONAL STUDY TOUR – KERALA

DATE: 12/09/2022 TO 19/09/2022

The MSW Department organised a Study Tour to Kerala (12/09/2022 to 19/09/2022). The programme started with the wishes and blessings from our Principal Dr.V.Hemalatha. On 12/09/2022 the students started the journey to Kerala through Alleppey Express and reached Ernakulam Junction on 13/09/2022 morning around 8.45 a.m. and visited IROHUB Infotech Pvt. Ltd. The HR team explained on the Management functions, Management activities and company recruitment process. At the end of the session the students interacted with the team of IRO-HUB. On the Second day, the students visited Rural Science and Technology Centre at Thiruthikkara, They were exposed to organic plantation, usage of waste management (recycling process), solar functioning, generation of LED lights, BIO-GAS GENERATION and so on. From there, the team visited Kerala folklore museum and Marine Drive beach. They also went to Alapuzha and stayed in Boat house. On the Fourth day, way to Munnar the team visited Athirapalli waterfalls and proceeded for Sight Seeing. They also went for trekking at Mettupatty dam and visited Eco Park, Ayurvedic spice garden, view point of Munnar, Carmelgiri Botanical Garden, Chocolate Factory and Tea Estate.

It was a wonderful learning which enhanced and developed the personal skills of our students. They have improved the skills of team spirit, interpersonal relationship, time management, cooperation and co-ordination etc. We express our sincere thanks to Our Management and Our Principal Dr.V.Hemalatha, for their continuous support and motivation in allowing us to explore our learnings. On the whole it was a wonderful learning Experience.
