The Department of Tourism and Travel Management Organized a Visit to Birla Planetarium, on 01\04\2022 for our department students under the guidance of our staff members.

Birla planetarium is one of the famous Tourists spots in Chennai. The planetarium is considered in the modern world as an Indoor Universe. The planetarium has provision to execute diurnal annual, latitudinal and precessional motions. The special effect projectors inside the planetarium recreate some of the most awe- Inspiring astronomical phenomena on the specially perforated aluminum inner dome. Multi dimensional activities and multimedia projections arrangements which have been incorporate inside the sky theater make the programme further lively and excited one. The planetarium is fully computerized. We have visited Periyar Science and Technology center campus which houses eight galleries, namely, physical science, electronics and communication, energy, life science, innovations, solar systems, sky and seasons, and shooting meteoroids.

The trip was Guided by our student Miss. V.Yuvashree 3<sup>rd</sup> year BA [Tourism and Tourism Management]. This trip helps the students to get practical knowledge on space research, science and technology, and also knowledge about astro physics, astronomical projects dealing with various facts of astronomy. We would like to thank our respected principal and our management for permitting us to visit this Birla Planetarium.
