Dakshina Chitra is an exciting cross cultural living museum of art, architecture, lifestyles, crafts and performing arts of South India. Dakshina Chitra has a collection of 18 authentic historical houses with contextual exhibitions in each house. All the houses bought and reconstructed at Dakshina Chitra had been given for demolition by their owners. The authentic homes in a regional vernacular style are purchased, taken down, transported and reconstructed by artisans ( Stapathis) of the regions from where the houses came
