Wayanad, the green paradise is nestled among the mountains of the Western Ghats, forming the border world of the greener part of Kerala. Clean and pristine, enchanting and hypnotizing, this land is filled with history and culture. Located at a distance of 76 km from the sea shores of Kozhikode, this verdant hill station is full of plantations, forests and wildlife. Regarding geographical location, Wayanad district stands on the southern top of the Deccan plateau and its chief glory is the majestic Western Ghats with lofty ridges and rugged terrain interspersed with dense forest, tangled jungles and deep valleys. The place also enjoys a strategic location as the leading tourist centres of South India. The misty environs of Wayanad offer a wide range of trekking opportunities, plantation visits and wildlife tours.

We have visited Edakal Caves, Pazhassi Raja Memorial Museum, Karapuzha Dam and Adventure Park , Pookot Lake, Thusragiri Falls.

This tour helps the students to get the practical exposure on eco tourism destinations and conservational measures of ecology through tourism.

We would like to thank our respected Principal and our Management for permitting us to visit this Educational Tour.
